Thank you for your interest in our wedding photography! We have created our wedding packages to be completely flexible for our clients. You should be able to get exactly what you want from us without adding on any unnecessary extras. Anything that is added within 30 days of the signing of your contract will be eligible for "package pricing" (between 20-33% off). There are two ways to go about choosing a package.

1. Build your own package. Starting with our base package you can add on any of the other items "a la carte".
2. Choose from our pre-made packages which are based on the same "a la carte" options listed in the first section. These packages already include the package savings.

Enjoy the options and please let us know if you have any questions!

# The Contract

## STATEMENT OF QUALITY

As your photographers, it is our goal to provide every client with images and prints that adhere to the highest standards of quality and accurately portray the beauty and joy of the occasion. We strive to be personable, honest and provide friendly and respectful service.

## DEPOSIT AND PAYMENT

The Client shall make a deposit of \$500 with this signed contract to retain the Photographer for the wedding date. At such time as this order is completed, the deposit shall be applied to reduce the total cost and Client shall pay the balance due the day of the wedding.

## CANCELLATION

If the Client wishes to cancel the terms of this contract, they may do so within three (3) calendar days from the contract date and receive 80% of their deposit back, after which any deposit paid to the Photographer shall not be refunded.

## PRINT ORDERING

All discounts, savings, credits or discounts for prints or products entitled to the client are to be granted solely to the client. This includes the Bride and Groom, and is not extended to their immediate families, Grandparents, Relatives or Friends. Transfer of savings to another party is prohibited. All discounts, savings, credits and package redemptions expire 3 months from the contracted wedding day.

## PACKAGE ADJUSTMENTS

If the Client wishes to add or remove items from their wedding package, they may do so within thirty (30) calendar days from the contract date. Items added after thirty (30) days will be charged at full price.

## COPYRIGHTS AND REPRODUCTIONS

The Photographers shall own the copyright to all images created and shall have the exclusive right to make reproductions. The Photographers shall only make reproductions for the Client or for the Photographer's portfolio, samples, self-promotions, entry in photographic contests or art exhibitions, editorial use, or for display within or on the outside of the Photographer's studio unless the rights are purchased.

## FAILURE TO PERFORM

If the Photographer cannot perform this Agreement due to a fire or other casualty, strike, act of God, or other cause beyond the control of the parties, or due to Photographer's illness, then the Photographer shall return the deposit to the Client but shall have no further liability with respect to the Agreement. This limitation on liability shall also apply in the event that photographic materials are damaged in processing, lost through camera malfunction, lost in the mail, or otherwise lost or damaged without fault on the part of the Photographer. In the event the Photographer fails to perform for any other reason, the Photographer shall not be liable for any amount in excess of the retail value of the Client's order.
